Sure- I called in anyways and TJ and Hope were the only people that called in. I let them know that I needed to follow up with Rebeccah/Jeana on **Ex. 5 Deliberative Process (DP)** They didn't have any additional topics and were delighted to get ½ of the day back

You might cancel the meeting at 3pm if there are not broader topics. For aldicarb, you could talk with Jeana today since Rebecca is out – or talk with them tomorrow. Thx.

Ok, that shouldn't be a problem- I will follow up with the team and keep you updated

I have a conflict so can't attend and don't have any pressing topics. If you want to talk with the aldicarb team about getting a response to RD/HED that would be fine. Thank you.

Hi Monisha,

I just wanted to check in - I wasn't sure if you wanted to follow up on Fluindapyr or if we needed to discuss anything on Aldicarb.

I haven't seen any updates for additional topics. Please let me know- thanks in advance!

Gerald
